Residents of Larkspur, Idaho Falls and other cities posted videos of military tanks on roads.

“Why are they rolling the tanks into the streets of cities? Is something bad about to happen..?! 🤖” a Twitter user asked.

“Tanks now seen ONE THE GROUND in Idaho Falls, Idaho adding another state to the list of recent sightings.. WHAT IS GOING ON?” another one added.

“Summer National guard training? It is usually 2weeks every summer. Sometimes it is series of 2 week exercises. How do you not know this? It happens every year. Hundreds of military vehicles crossing from point A to point B,” a third person guessed.
